Re: Jake McConnell and Frontline Processing

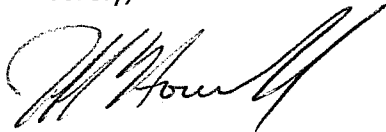

To Whom It May Concern;

I am writing this letter of recommendation for Jake McConnell and Frontline Processing.

We switched to Frontline processing a little over a year ago, and we have been extremely satisfied with their service. We were with two different companies in the year preceding that switchover.

I would not hesitate to recommend them. In fact, we just switched our other business to Frontline a few months ago.

Sincerely,
