

Farmer's Union Oil Co

1 Main Street; Bloomfield MT 59315

Friday 14,2013

I am writing to recommend Mike Peterson and Frontline Processing. Our bank highly recommended him a few years ago and he has been very helpful and knowledgeable with our petroleum cards and the transisions we needed to make. Mike and Frontline have always been available when we needed them.

A handwritten signature in cursive script, appearing to read "Mary Haggard".
